A. Active Transportation Program Update

Zully Villegas, Active Transportation and Peter Sotherland, Active Transportation Coordinator, presented the update. <The full presentation is available on OCTA.net.>

Committee Member Comments:

A committee member asked if the numbers from the bicycle counts can be brought to the next Citizen's Advisory Committee (CAC). Peter Sotherland responded the data may not be available by then but will be presented when it is.

A committee member asked if all the grant money was still available in light of budgetary concerns. Peter Sotherland responded yes.

A committee member asked if the Active Transportation Funds were doing okay. Peter Sotherland responded yes, none of their projects have been impacted. They are still successfully going after grant funds and receiving them.

B. Bikeways Connectivity Update

Ivy Hang, Planning, and Diana Garcia, Public Outreach, presented the update. <The full presentation is available on OCTA.net.>

Committee Member Comments:

A committee member asked if bi-directional bike lanes were part of the study. Ivy Hang responded that it can be dependent on the type of roadway.

A committee member asked if Caltrans was on board with designs to increase bikeways. Ivy Hang responded yes.

- C. Coastal Rail Emergency Projects Update
Calina North, Public Outreach, presented the update.

Committee Member Comments:

A committee member asked if there was any provision for alternative transportation during the work. Calina North responded that bus bridges were provided during this emergency work dependent on the agency of either Metrolink or Amtrak.

A committee member asked if this would be taken to the next CAC meeting. Calina North responded yes.

3. OCTA Staff Updates
