

Move OC: A Vibrant Path to Active Transportation

Bicycle and Pedestrian Active Transportation
Subcommittee

Project Overview

Project Overview

- Begins summer 2026
- \$1 million in funding
 - \$400,000 SCAG Sustainable Communities
 - \$600,000 Caltrans Planning Grant
- Replaces OC Active
- Incorporates with local efforts and plans
- Robust public outreach
- Analysis to guide infrastructure, policy, programs, and potential funding direction.

Project Objectives

- Existing conditions analysis
- Extensive multi-phase public outreach campaign
- Collaborate with stakeholders to align Move OC with existing local and regional goals, plans, and initiatives.
- Develop cohesive goals, objectives, and metrics centered around the vision that residents of all ages and abilities can easily choose active transportation as a primary mode of travel for everyday trips.
- Evaluate current and anticipated funding opportunities at local, state, and federal levels to ensure the plan's recommendations are financially sustainable and adaptable to future conditions.

Public and Stakeholder Engagement

Stakeholder Engagement

- OCTA standing committee presentations
- Stakeholder survey
- Project Development Team

Public Engagement

- Multi-phase
- Multi-geography
- Public survey
- Virtual engagement
- In-person engagement
- Website and social media

Baseline Assessment and VGOMs

Baseline Conditions
